- Install .NET 1.1 First

- Install .MSI package Second

CONTRIBUTIONS APPLICATION

- **Hardware**

- MagTek MICR Image
9 Pin Serial or
USB cable

Keyspan 9 Pin Serial
to USB Adapter

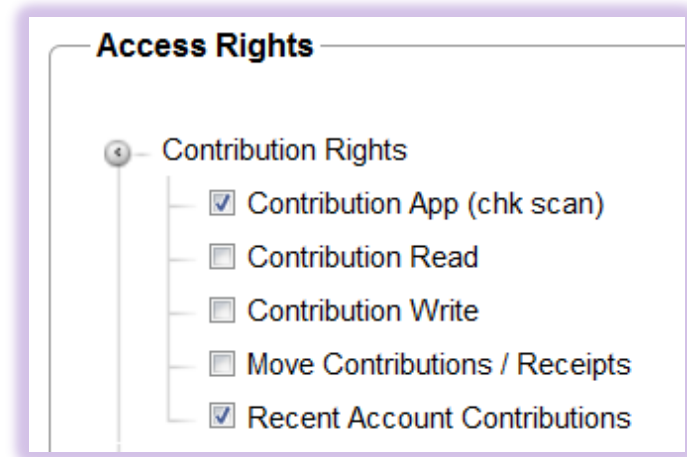

CONTRIBUTIONS APPLICATION

- **Security Permissions**

- Contribution App (chk scan)

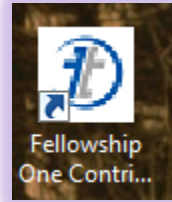

Recent Account Contributions

CONTRIBUTIONS APPLICATION

- **Launch**

- F1 User Name
- F1 Password
- F1 Church Code
- Any computer with Internet access

A screenshot of the Fellowship One Contributions application login window. The window title is 'Fellowship One Contributions'. The main content area displays the 'FELLOWSHIP One Contributions v2.2.0.6' logo. Below the logo are three input fields: 'User Name:', 'Password:', and 'Church Code:'. At the bottom of the form are two buttons: 'Sign In' and 'Cancel'. The copyright notice '(c) Copyright 2004-2010, Fellowship Technologies, L.P.' is visible at the bottom of the window.

CONTRIBUTIONS APPLICATION

- **Key Considerations**

- Will not save entries without an image scan
- Only 1 Image per contribution accepted
- Envelope will be scanned for Cash gifts
- Only tool that can delete a Batch
- Does not do Check 21 / Remote Deposit

CONTRIBUTIONS APPLICATION

- **Contributions PreProcessing Best Practice**
 - Separate by Service Time
 - Separate by Cash, Checks & Bank Cards
 - Separate by Fund & Split Gifts
 - Run 10 Key Tape on each Batch (Pile)
 - Enter into Contributions Application
